

Attention Students:

The Coronavirus Assistance, Relief and Economic Security (CARES) Act was approved by Congress and includes support for higher education, including emergency grants for students facing expenses due to COVID-19. Sheer Success, Inc. has been allocated \$176,007.00, of which \$88,004.00 is designated for emergency grants to students. The remaining funds are designated for use by the institution to cover unexpected expenses incurred to due COVID-19.

The US Department of Education recently issued guidance on distribution of these emergency grants to students, requiring that all recipients be Title IV eligible. In simplest terms, this means that students must have submitted a Free Application for Federal Student Aid (FAFSA) to Academy of Cosmetology. Students will need to have 2020-2021 FAFSA on file with us.

Our School Code is 016785.

July 25, 2020 will be the deadline for us to receive the FAFSA, and it takes 3-4 days to process.

We will start disbursing check to eligible students at that time.

Note: Students do not have to be enrolled in a Title IV program but **must** be deemed eligible.
